EXPERIENCE

Freelance Web Developer

Freelance-Self Employed *Jun 2023 - Present*

Skilled in HTML, CSS, JavaScript, React, and Node.js. Builds responsive websites and apps from design to launch, with experience in CMS and API integration.

Full-Stack Developer

Revolution Games Private Limited *Feb 2023 - Apr 2023*

I developed single-page applications using Angular, TypeScript, HTML, and CSS. I integrated RESTful APIs with Node.js, ensuring consistent data flow for optimal application performance. Additionally, I gained valuable experience in testing web applications built with Angular and React, and I developed a strong understanding of various frameworks.

Projects
